

# Online Ticket BD - Admin Panel Summary

This PDF contains a summary of your admin panel for the 'Online Ticket BD' website.

1. Mobile-friendly design so you can update everything from your phone.
2. You will be able to update the following:
  - Logo
  - Bus Companies
  - Schedule
  - Seat Plans
  - Gallery Images
3. This panel is currently built using HTML. In future, it can be converted to a dynamic backend so you can update everything without any coding.

You can host this site on GitHub Pages or your own hosting server.

Let me know if you want the full code in PDF or more customization.
